Hi Brian!

I hope this e-mail finds you well. I haven't forgotten about lunch. It's just been a little crazy here lately- lots of meetings, and CDA coming up next week. Will you be there?

I have a quick question for you. Regarding the trash hauling and the City's determination that BIDs can go outside the franchise system to look for more competitive pricing, were you able to do that? Did you acquire some documentation to show that we are allowed to contract with other trash haulers, so that other haulers will know it's okay to work with us?

Sincerely,

RE: Thank You!
